

# May the world live in peace

©suzannepalermo

May the world live in peace  
and not in pieces  
May the world live in love  
and not in pain.

May we work together  
to make it better  
loving thoughts, words and deeds  
is what it needs.

## **Refrain 1:**

Let's play the game  
of life, learn right and wrong!  
Let's make our dream come true  
and sing this song!

## **Refrain 2:**

Let's hear the call  
resounding from our soul!

## **Love all, serve all!**

Let's show them that we know!
